MINISTRY OF LABOUR AND EMPLOYMENT

New Delhi, the 13th November 1964

S.O. 4050.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal Bangalore in respect of an industrial dispute between the employers in relation to the Canara Industrial and Banking Syndicate Limited and their workmen which was received by the Central Government on the 12th November, 1964.

BEFORE THE INDUSTRIAL TRIBUNAL IN MYSORE, BANGALORE

Dated 10-11-64

PRESENT:

Sri Mir Iqbal Husain, B.A., B.L.—*Presiding Officer.*

REFERENCE No. 1 OF 1964

I Party:—

Workmen of Canara Industrial & Banking Syndicate, Ltd., Udipi, By the General Secretary, Canara Industrial & Banking Syndicate, Ltd., Employees' Union, Khandelwal Bhavan, 1st Floor, Dr. Dadabhai Nauroji Road, Fort, Bombay-1.

II Party:—

The Managing Director, Canara Industrial & Banking Syndicate, Ltd., P.B. No. 23, Mukand Nivas, UDIPL. (South Kanara).

AWARD

By its Order No. nil, dated 5th May 1964, the Central Government referred to this Tribunal for adjudication the following dispute existing between the Canara Industrial & Banking Syndicate, Ltd., Udipi, and its workmen under Section 7(A) and clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947.

“(1) Whether the Canara Industrial & Banking Syndicate, Ltd., Udipi, is justified in imposing the condition that only such of those workmen would be considered for appointment as Officer-trainee and promotion to Probationary ‘C’ Rank Officers who agree to be governed by the rules of the bank as applicable to such officers in respect of scale of pay and other conditions of service? If not, to what relief are such workmen entitled?”

(2) Whether the bank is justified in imposing the condition of twelve months training as officer-trainee before appointment as ‘C’ Rank Officer in addition to the probation prescribed after the appointment as a ‘C’ Rank Officer? If not, to what relief are the workmen entitled?”

2. Thereupon the I Party *viz.*, the workmen represented by the Canara Industrial & Banking Syndicate Employees' Union, was called upon to file its claim statement. A Rejoinder thereto was filed on behalf of the II Party *viz.*, the Managing Director of the said Bank.

3. The I Party Union submits that from the year 1951 the employees were categorised as Accountants, be they ‘C’ Rank Officers or Probationary ‘C’ Rank Officers and are excluded by the Management from the benefits under the provisions of the award applicable to the Banking industry despite the fact that the Accountants are *prima facie* workmen. Their duties, responsibilities and powers in terms of the manual of instructions of the II Party, place them in the classification of workmen as per Section 2(S) of the Industrial Disputes Act. Moreover, their emoluments in a majority of cases do not exceed Rs. 500. Those Accountants whose total emoluments exceed Rs. 500 are also workmen since their duties, responsibilities and powers contain only an element of supervision in terms of the manual of instructions of the II Party for Accountants. It is therefore submitted that the imposition of a condition of a transitional status as Officer-Trainee or Probationary ‘C’ Rank Officer is a device imposed by the II Party for contravening the provisions of the Bank award thus subjecting the workmen to the acceptance of the Bank Rules to the exclusion of the award provisions. It is

contended that the 'C' Rank Officer or Officer-Trainee performs no more than the duties of an Accountant. Hence the II Party is not justified in imposing the condition that only such of those workmen would be considered for appointment as Officer-Trainees and promotion to the Probationary 'C' Rank Officers who agree to be governed by the Rules of the Bank as applicable to such officers in respect of scales of pay and other conditions of service.

4. It is further submitted by the I Party Union that the II Party is not justified in imposing the condition of 12 months' training as an Officer Trainee before appointment as 'C' Rank Officer in addition to the probation prescribed after the appointment as a 'C' Rank Officer. The I Party alleges that the II Party indulged in unfair labour practice to circumvent the awards of the Tribunals and take them out from the purview of the Industrial Disputes Act until the employees even though deserving, accept a condition immediately that upon their appointment as Officer-Trainees, Probationary 'C' Rank Officers and 'C' Rank Officers, they would be governed by the Rules of the Bank in respect of pay, conditions of service and not in accordance with the directions of the award. The I Party prayed (1) for directing the II Party for deletion of the imposition of such conditions and to promote all workmen who were superseded or deprived of their appointment as Officer-Trainees or Probationary 'C' Rank Officers on account of the imposition of such conditions, (2) to promote Sri B. S. Nayak and Sri P. Ananda Rao as Officer-Trainees or Probationary 'C' Rank Officers, (3) that all the existing Trainee Officers or 'C' Rank Officers be allowed the option given in the Desai Award, (4) that no condition of any period of training or any period of probation be imposed upon the workmen for appointment to the post of 'C' Rank Officer who are supervisory staff within the meaning of the Desai Award, (5) that the conditions inconsistent with the Bank Award should be deemed to be void and inoperative in the case of Trainee Officers and Probationary 'C' Rank Officers.

5. In its Rejoinder the II Party while denying the allegations made in the Claim Statement, submits that the question whether a 'C' Rank Officer is or is not a workman, has not been referred for adjudication and hence the same is outside the scope of the Reference by the Government. It submits however that when a Clerk is appointed as a 'C' Rank Officer, he ceases to be a workman as defined in the Industrial Disputes Act by virtue of the powers conferred upon him and also by virtue of the powers exercised by him. It submits that while posting Clerks as Officer Trainees, no conditions were imposed on them. It is a practice to offer the terms of promotion as an Officer and one of the conditions is that the rules applicable to the Officers will govern the conduct of the Officer after accepting this offer. The letters thus written to such employees *viz.*, the Clerks, conveyed only the consequences of promotion as 'C' Rank Officers. Hence it is wrong to contend that these conditions are pre-requisites for promotion. The Officer-Trainees in fact were paid Supervisory Allowance because it is likely that during the period of training they might have discharged supervisory duties. But in any case they are for all purposes 'Workmen'. The II Party denies that any unfair labour practice was resorted to. It further submits that Sri B. S. Nayak and Sri P. Ananda Rao were not posted as Officer-Trainees as they put their own conditions to undergo training and those conditions were not acceptable to the II Party. It is submitted that the training to permanent staff is neither wrong nor prohibited in law. The II Party prays for the rejection of the claim made by the I Party workmen.

6. On these pleadings the following issues were raised:—

"I(a) Whether the Canara Industrial & Banking Syndicate, Ltd., Udipi, is justified in imposing the condition that only such of those workmen would be considered for appointment as Officer-Trainees and promotion to Probationary 'C' Rank Officers who agree to be governed by the rules of the Bank as applicable to such officers in respect of scale of pay and other conditions of service?

(b) If not, to what relief are such workmen entitled?

II(a) Whether the Bank is justified in imposing the condition of twelve months' training as officer-trainees before appointment as 'C' rank officer in addition to the probation prescribed after the appointment as 'C' Rank Officer?

(b) If not, to what relief are the workmen entitled?"

7. After completion of the further formalities of filing of documents by both the parties, the case was set down for evidence on 22nd October 1964. Three witnesses were examined in full on that day and the I Party closed its case. It was represented by Sri Seshu on behalf of the II Party that the latter does not

propose to examine any witnesses on its side. Arguments were heard on the 23rd and 24th of October 1964 and the case was reserved for passing the award.

8. The II Party Bank has its registered office at Manipal (Udipi), South Canara District. It has its Branches in a number of places. The Bank was in the Category of 'C' previously but it was upgraded to category 'B' in the year 1958. Sri Seshu who represents the II Party urges that the scope of the Reference by the Government regarding the dispute is limited. The only points for consideration are whether the conditions can be imposed by the Bank before the workmen are promoted, and secondly whether there can be a period of training and a probationary period before the workmen actually become officers. Hence the question whether a 'C' Rank Officer is or is not a workman, is beyond the reference. That question cannot be adjudicated upon by this Tribunal. The II Party however admits that the Officer-trainees are workmen. It is therefore necessary in the first place to determine the scope of the Reference. On the other hand it is contended by Sri Mandal for the I Party that all the Accountants are workmen. They are variously designated by the II Party as 'C' Rank Officers and Probationary 'C' Rank Officers. Whatever may be the nomenclature that might have been used, they are all workmen as defined by Section 2(S) of the Industrial Disputes Act. So also are those who are termed as Officer-Trainees. The Officer-Trainee performs not more than all or part of the duties of an Accountant and to that extent his status is identical with that of a Probationary 'C' Rank Officer.

9. The 1st issue raises a question whether the II Party Bank is justified in imposing the condition that only such of those workmen would be considered for appointment as Officer-Trainees and promotion to the 'C' Rank Officers who agree to be governed by the Rules of the Bank as applicable to such officers in respect of scale of pay and other conditions of service. It enumerates two categories of persons (1) the Officer-Trainees, (2) the Probationary 'C' Rank Officers. Regarding the former, the Bank does not dispute that he is a workman. What is then is the status of the latter? If a 'C' Rank Officer is a workman as defined by Section 2(S) of the Industrial Disputes Act, he will be entitled to the benefits given to a workman under the several awards. If so, the Bank cannot be justified in imposing the condition that he should be governed by its terms in respect of scales of pay and other conditions of service. If, on the other hand, a 'C' Rank Officer does not fall within the category of a workman, nothing prevents the Bank from so applying the conditions. Hence in order to decide this issue a prime requisite is to determine whether 'C' Rank Officers are workmen or not. There is therefore no force in the contention of Sri Seshu that the determination of the status of a 'C' Rank Officer as to whether he is a workman or not is beyond the scope of the Reference.

10. Section 2(S) of the Industrial Disputes Act defines a workman as any person employed in any industry to do any skilled or unskilled manual or supervisory, technical or clerical work for hire or reward It excludes the four categories of persons mentioned in sub-section (1) to (4) of Section 2(S). There can be no doubt that a 'C' Rank Officer of the II Party Bank falls within the category of a workman judged from the emoluments he gets which are less than Rs. 500 until the last lap of increment is reached. Besides, the important criterion to determine his status is to consider not so much the nomenclature of his office, but the essence of the matter *viz.*, determining what his primary duties are and the functions assigned to him—whether clerical or managerial. If the former, there can be no doubt that he is a workman, if the latter, then his status is not that of a workman (*vide* the decision of the Supreme Court in the case of *Lloyds Bank vs. Pannalal Gupta*, reported in 1961 ILLJ 18, at pages 23 and 24). In the original definition of a 'Workman' before its amendment that term included only such persons who perform any skilled or unskilled manual or clerical work for hire or reward. But after its amendment it includes "Supervisory" functions as well, thus enlarging the scope of the definition. A person might be entrusted with supervisory work but without any managerial powers and powers of control or power to take decisions and their execution. If so, even though he may be doing the supervisory work he cannot be regarded as anything but a workman. In the instant case there is abundant material to show that the 'C' Rank officer or a Probationary 'C' Rank Officer is not invested with duties and functions of a managerial nature.

11. On behalf of the Ist Party a copy of the award passed by the Labour Court (Central Ahmedabad) in Reference No: 1 of 1960 in the case of *G. S. S. Rao vs. Canara Industrial and Banking Syndicate, Ltd.*, Udipi, is filed. The Complainant in that case was an employee of the II Party Bank. He contended that even as a 'C' Rank Officer working as an Accountant of Davangere Branch, he was a workman within the meaning of the Industrial Disputes Act and by demoting him to the post of a Clerk and transferring him to the Sringeri Branch, the Respondent

Bank has altered the conditions of his service to his prejudice. The Respondent Bank contended that the Complainant was vested with managerial powers and hence he was not a workman within the meaning of the Industrial Disputes Act. The Presiding Officer examined the manual of instructions of the Bank regarding the duties allotted to a 'C' Rank Officer and held that according to that document, as an Accountant the Complainant's duties were supervisory in nature but not of controlling or directional nature. Hence an award was passed in favour of the Complainant. This award is admitted by the II Party Bank. It is marked as Ext. W-28 in this case. This is a parallel case which has considered and decided whether a 'C' Rank Officer of the Bank is a workman or not, in view of the nature of the duties entrusted to him and the powers vested in him under the Bank's manual of instructions. Ext. W19 filed by the Ist Party is an extract of instructions issued by the Bank to its staff which gives the powers and duties of a 'C' Rank Officer, as per circular No. 28/OGC, dated 3rd March 1958. This is a manual of instructions in addition to those already existing. The work of the Accountant clearly indicates that it is not of a managerial nature but clerical and supervisory.

12. Sri Seshu for the II Party contends that in any case this Tribunal has to consider whether W.W.1 and W.W.2 at whose instance the dispute arose, are workmen or not. The scope of the Reference is restricted to that. Otherwise this Tribunal would be enlarging the scope beyond its legitimate limits. Perusing the Reference I find that it does not exclusively refer to the two cases, but is worded in general terms. It takes within its purview all the workmen who would be considered for appointment as Officer-Trainees and for promotion to Probationary 'C' Rank Officers. Could the Bank impose a condition that only such of them who agree to be governed by the Rules of the Bank would be considered for appointment as Officer-Trainees and promoted to the Probationary 'C' Rank Officer? That is the question for determination. If so, the argument of Sri Seshu confining the Reference to the case of only two workmen is without any force and cannot be accepted.

13. It is contended by Sri Mandal that the II Party has gone on changing its terms and conditions, constantly shifting its ground in order to see that its employees do not get the benefits of the Shastri Award as modified by the Labour Appellate Tribunal and the Desai Award. The relevancy of this argument should however be confined to the case of 'C' Rank Officers or Probationary 'C' Rank Officers and to the Officer-Trainees in respect of their scales of pay and other conditions of service. How far this argument is justified can only be considered by a reference to the several circulars issued by the II Party. I therefore propose to make a brief reference to them and to the consequential orders and correspondence.

14. On the 29th of November 1954 after the passing of the Shastri Award, a communication was issued numbered as B.A.C. No. 1 and marked as Ext. W16, to all the Branches and to all the members of the staff of the II Party, wherein the General Manager stated that the Directors have decided to implement the award as modified by the Government. Later on he states that "though the Accountants are classified as Officers, we want to give them an opportunity of availing of the benefits of the award if they so desired by requesting for their reversion into Clerks. The Probationary Accountants however are treated as clerks only...." Bearing the same date viz., 29th November 1954, an individual letter was written to the employees as per B.A.C. No. 2 marked as Ext. W17. While reiterating that the Directors have decided to implement the award, the General Manager has stated that an Accountant is considered as an Officer by the Bank but he is denied the benefits of the award. Hence a chance is given for reversion, if the employee so desires, as a Clerk so that he might get the benefits of the award. The employee is asked as to whether he should be considered as a Clerk so as to be entitled to the benefits of the award, or wishes to be an Accountant and considered as an Officer. This clearly indicates that an attempt is made by the Bank by asking the Accountants to elect between a Clerk (workman) or an Officer. In other words though as per Sastry Award as modified, Accountants are *prima facie* held to be "Workmen", they are excluded from the benefits of the award unless they revert as Clerks.

15. Sri Mandal urges that as per the memorandum of settlement arrived at between the II Party and their workmen dated 13th and 14th June 1957 and marked as Ext. W10, a Probationary 'C' Rank Officer was accepted as a workman by the Bank. Reinstatement of one H. Raghunath Pai, an Accountant of Davangere Branch i.e., a 'C' Rank Officer is referred to in Ext. W10. The said Settlement supported by the evidence of W.W.1 Sadanand Nayak, leads to the inference that he was so accepted by the Bank even though he held the post of the Probationary 'C' Rank Officer. This shows that the II Party would not give the benefit of the Sastry award until a dispute was raised.

16. This attitude of the Bank is further manifest from Ext. W8 a Confidential letter by the General Manager to all the Agents and Managers, dated 23rd January 1957 wherein reference is made to Circular No. B.A.C. 23. It directs them the way in which information is to be furnished regarding enquiries from Officers of the Ministry of Labour of Government of India. Information should be under two heads (1) Supervisory staff (2) Clerical and subordinate staff under the heading 'Workmen'. They should add that they are placing their supervisory staff in a special Muster Roll and are treating them as Officers and not as workmen. Their Agents and Managers are also instructed to introduce immediately a separate attendance register for officers if this has not been done already. Nothing could be more clear than this confidential letter to show that the II Party wanted to treat its supervisory staff not as "Workmen" entitled to the benefits of the award.

17. A confidential circular No. B.A.C. 36, dated 1st February 1958 marked as Ext. W18 is issued by the Bank. It announces the new scales of pay from 1st January 1958. The scale of pay of a 'C' Rank Officer is Rs. 125—5—140—6—158—7—179—8—203—10—260—12—272—EB—12—296—15—341. This Circular does not apply to Probationary 'C' Rank Officers. It contravenes the provisions of the Shastri Award regarding Dearness Allowance as modified by the Labour Appellate Tribunal. The slabs of D.A. as per this Circular are up to Rs. 100 50 per cent, up to Rs. 200 40 per cent, up to Rs. 300 30 per cent, up to Rs. 400 20 per cent, and above that 10 per cent, while the D.A. as per the Shastri Award, as modified by the Labour Appellate Tribunal, is very much higher than that. For Area (1) minimum Rs. 50, maximum first slab of Rs. 100 50 per cent, 2nd slab of Rs. 100 40 per cent, thereafter 35 per cent. This circular therefore goes against the award of the Labour Appellate Tribunal regarding Dearness Allowance.

18. The Shastri Award was of the view that it is undoubtedly desirable to make a provision for automatic adjustment of the rates of D.A. according to the variations in the cost of living (*vide* page 46 para 152). It directed that if the average figure for each half year should rise or fall by more than 10 points, over 144 (1944—100), the D.A. for the succeeding half year should rise or fall by $7\frac{1}{2}$ per cent of the basic pay. Sri Mandal for the I Party submits that according to the Desai Award the D.A. Adjustment Formula has introduced the following modifications:—

"If the average all-India cost of living index for any quarter after the 31st March 1959, should rise or fall by more than five points as compared to 144 (1944=100), the dearness allowance for the succeeding quarter shall be raised or lowered, in the case of clerical staff by one-fourteenth, and in the case of subordinate staff by one-twentieth, of the dearness allowance admissible at the index level of 144 for each variation of five points." The Bank rates do not conform to this standard as well.

19. The next Circular relied on by the I Party is the one issued by the II Party in April 1962 as per Ext. W. 26—Circular No. B.A.C. 98. The revision of pay scales as per this circular came into effect from 1st April 1962. The 'C' Rank Officer's pay is Rs. 200—10—230—12—290—15—350—20—430—25—530. Only one stage under this scale exceeds Rs. 500. It may be noted that as per this circular the scale of pay which is introduced, is without dearness allowance, while as per that award the dearness allowance to supervisors should be included (*vide* paragraphs 5.219 and 5.292). In para 5.292 the award states that it is open to the Bank to provide special scales of pay for any category of workmen in lieu of the scales of pay and special allowance provided by this award, provided the total remuneration consisting of the basic pay under such scale and dearness allowance is not less than what is provided for by way of basic pay, special allowance and dearness allowance under this award. The circular Ext. W.26 does not provide either for the inclusion of dearness allowance or for special allowance. Taking the starting pay at Rs. 140 and the dearness allowance at Rs. 65 the total comes to Rs. 205 while the starting pay of a 'C' Rank Officer as per the circular, Ext. W.26, is Rs. 200. Moreover, there is no linking of the pay with the price level. Para 3 of the above circular gives only 'Place Allowance' instead of the dearness allowance. This again is a shift from the award to the prejudice of the employees.

20. Lastly a reference is to be made to Circular No. 75-64-BC-STF-21, dated 9th April 1964, marked as Ext. W15. Material changes in the nomenclature of the employees are introduced by it. The 'C' Rank Officers are termed as Junior

Officers. According to it there will be no category of Accountants in future. The Officer Cadre of the Bank will begin with the Junior Officer. Sub-Accountants however will be treated as workmen covered by the Bank Award. It is submitted by Sri Mandal that this circular is prejudicial to the workmen as it is a device of the Management to restrict the application of the award and treat more and more sections of the employees as non-workmen. There is much force in this contention. The 'C' Rank Officers who would otherwise come within the category of workmen, are taken out of the same and a nomenclature of Junior Officers is given to them and these Junior Officers are governed by the terms and conditions of the Bank. Grievance, if at all, of the I Party should be limited to the terms and conditions by which 'C' Rank Officers are classified as Junior Officers depriving them of the benefits of the award. But there can be no objection to the policy of the Bank as envisaged under the said circular.

21. Taking all these circulars into consideration there seems to me much force in the contention urged on behalf of the I Party that there has been contravention of the terms of the awards from stage to stage depriving the employees of their legitimate rights. Similar contravention to the prejudice of the employees was discountenanced by the Supreme Court in the case of the Punjab National Bank reported in 1961 (1) LLJ 1C.

22. Three witnesses are examined on behalf of the I Party. It is clear from the evidence of W.W. 1 and W.W. 2 that they were selected for promotion as Officer-Trainees as per Ext. M1 and M4 respectively. But they did not accept the conditions *vide* Ext. M3, reply given by WW1 and Ext. M6, reply given by WW2. Hence, their promotion was cancelled. Sri Seshu for the II Party submits that the Bank is justified in imposing conditions on their employees, but it should be remembered that such conditions should not go against the conditions of service applicable to such employees as per the Bank Awards. There can be no condition precedent to the effect that by accepting the offer of the Bank for promotion, the employees forego the position of a workman. As per the evidence of W.W.2, subsequent to the promotions of W.W.1 and W.W.2, promotions were made by the Bank. Sri Mandal submits that Juniors who accepted the conditions of the Bank were promoted while employees like W.W.1 and W.W.2 who did not, had simply to mark time. This fact has not been contravened by the II Party, for as I have already stated, the II Party examined no witnesses on its side either to support its case or to contravert the allegations made by the I Party.

23. The next issue for consideration is whether the Bank is justified in imposing the condition of 12 months' training as Officer-Trainees before appointment as 'C' Rank Officers, in addition to the probation prescribed after the appointment as 'C' Rank Officers. At the very first sight it appears that such additional training for 12 months is unnecessary as a 'C' Rank Officer is not a fresh employee. Even the probation which is prescribed is vague and uncertain, for no definite period for undergoing probation is mentioned. In the case of one Madhava Rao, Officer-Trainee, the period of probation prescribed was one year in the first instance. That period extended by further periods of six months according to the wishes of the II Party *vide* Ext. M9, dated 28th January, 1963. Similar was the case of one Srinivas Hoode who was appointed as Probationary 'C' Rank Officer on 21st of August 1959 as per Ext. W4 and the fluctuating probationary period for him was given as per Ext. W5, dated 17th November 1959. These facts indicate that such a buffer position like training and probationary period is introduced by the Bank contrary to the terms of the awards. Such an anomalous position has since been abolished by the II Party as per Ext. W15, the last circular. Sri Seshu's argument on behalf of the II Party that even the Government contemplates such a training and probationary period, is without force as there can be no parallel between the conditions of service of the employees or Officers of the Government and those of the Bank. Hence, the second issue is to be answered in the negative.

24. Taking all the facts and circumstances into consideration I come to the conclusion that (1) the II Party is not justified in imposing a condition that only such of those workmen would be considered for appointment as Officer-Trainees and promotion to Probationary 'C' Rank Officers who agree to be governed by the Rules of the Bank as applicable to such officers in respect of the scales of pay and other conditions of service, (2) the appointments and promotions so made by the Bank with the imposition of such a condition contrary to those envisaged in the two Bank Awards, are illegal, (3) the Bank should promote such workmen who have been superseded or deprived of their appointment as Officer-Trainees or promotion to Probationary 'C' Rank Officers on account of the imposition of such a condition, (4) W.W.1 and W.W.2 are to be appointed as Officer-Trainees or Probationary 'C' Rank Officers from the date of the letter of their appointment, (5) the existing Officer-Trainees and probationary 'C' Rank Officers to be allowed

the option in terms of the Desai Award, (6) no condition for any period of training or for any period of probation to be imposed upon a workman for appointment to the post of a 'C' Rank Officer who are Supervisory staff within the meaning of the Desai Award, (7) there is no justification for the II Party to impose the condition of 12 months' training before appointment as a 'C' Rank Officer in addition to the probation prescribed after the appointment as 'C' Rank Officer.

25. An award is passed in terms of the above findings. The II Party to pay Rs. 250 towards the costs of the I Party.

Presiding Officer.

New Delhi, the 20th November, 1964

S.O. 4051.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government publishes the following award of the Industrial Tribunal, Hyderabad in respect of an industrial dispute between the employers in relation to the Punjab National Bank Limited and their workmen which was received by the Central Government on the 16th November, 1964.

**BEFORE THE HON'BLE INDUSTRIAL TRIBUNAL, ANDHRA PRADESH,
HYDERABAD**

PRESENT:—Dr. Mir Sladat Ali Khan, M.A., LL.B., Fazel (Osm); B.C.L., (Oxon); D. Phil., (Oxon); Bar-at-Law; (Lincoln's Inn) (London); Chairman, Industrial Tribunal, Andhra Pradesh, Hyderabad.

INDUSTRIAL DISPUTE No. 35 of 1964

BETWEEN:—

Workmen of Punjab National Bank Ltd., Hyderabad.

AND

Management of The Punjab National Bank Ltd., Hyderabad.

APPEARANCES:

Sri C. V. Suryanarayana, Joint Secretary, The Punjab National Bank Employees Union, Andhra Pradesh, Hyderabad, *for Workmen.*

Sri S. N. Bhalla, Manager, Punjab National Bank Ltd., Hyderabad, *for the Management.*

AWARD

By the Government of India, Ministry of Labour & Employment Letter No. 51948/64-LR IV dated 11th September 1964, the industrial dispute between the Workmen of Punjab National Bank Ltd., and their Employers, over the refusal to release the security furnished by Shri C. V. Suryanarayana, was referred for adjudication with the issued framed in the Schedule, *viz.*,

"(1) Whether the management of the Punjab National Bank Limited is justified in refusing to release the security furnished by Shri C. V. Suryanarayana of the Hyderabad branch of the bank?

(2) If not, to what relief is the employee entitled?"

2. The dispute was registered as I.D. No. 35/64. Parties were directed to file their statements in writing. The Claims Statement was filed on 28th September 1964, but, for filing the counter to the Claims Statement an adjournment was taken and, after that, at the next hearing on 21st October 1964 a settlement has been filed.

3. The settlement is to the effect that the Employer—Bank has settled the dispute amicably in favour of the employee, Sri C. V. Suryanarayana, by refunding the security deposit to him. This settlement was signed by Sri C. V. Suryanarayana in his capacity of the Joint Secretary of the Punjab National Bank Employees Union on behalf of the workmen and by Sri S. N. Bhalla, Manager, on behalf of the Punjab National Bank Ltd. Both of them came personally before me, but, as letters of authority had not been brought, an adjournment was granted and, now that the said letters had been filed, I pass this Award in terms of the compromise,

viz., that the dispute has been settled amicably by refunding of the security to the claimant-workman.

Award accordingly, given under my hand and the seal of the Court, this the 31st Day of October, 1964.

M. S. ALI KHAN,
Industrial Tribunal.

APPEARANCES:

Sri A. Sundara Rao, General Secretary, Andhra Pradesh Bank Employees' Federation, Hyderabad—*for the Workman*.

Sri B. K. Seshu, Advocate—*for the Opposite Party—Management*.

AWARD

This is Miscellaneous Petition No. 32/1964 filed by Sri K. Ramanath V. Bhatt, an employee of the Syndicate Bank Limited against the said Bank. It is filed under section 33-A of the Industrial Disputes Act XIV/1947 (*hereinafter referred to as the Act*). Parties adduced a few witnesses but filed copious documents. The case was elaborately argued by the representatives of the parties.

2. As it is a complaint under Section 33-A of the Act, I have to consider whether (1) Sri Bhatt was a workman; (2) was as a workman concerned in a pending dispute and (3) whether his dismissal was in contravention of section 33 of the Act. I proceed to examine these questions below:

(1) I begin with the much contested question whether Sri K. R. V. Bhatt was a workman, or, was he an officer? The learned advocate for the employer, Sri B. K. Seshu, maintained emphatically that Sri Bhatt was as full-fledged an officer of the Syndicate Bank as anybody else. He contended that though Sri Bhatt was designated as a C-rank Officer and as an Accountant, yet, really, he was invested with several powers of an officer and, what is important, he exercised them also at the relevant time *viz.*, when he was dismissed while posted at the Shapur Belgam branch. He was considered to be an officer by everybody. In support of his contention, the learned advocate, referred to the provision of the Sastry Award that, though an accountant is generally a workman, yet, in several cases, an accountant is an officer, especially in small branches he is more often than not an officer. The learned advocate relied also on section 292(1)(c) and (e) of the Companies Act. There, it is laid down that the power to borrow money and the power to make loans are the powers of the Bank, but, they may be delegated,

by a resolution of the Board of Directors, to the Manager, or, to a principal officer. The learned advocate emphasised that such powers of making loans and borrowing money were not only delegated to Sri Bhatt, but, he also exercised them. For this contention, he placed reliance on Exs. M-1 to M-4 and also on Ex. M-13 series. Exs. M-1 to M-4 were the resolutions of the Committee of the Board of Directors, conferring on Sri Bhatt various powers including those of borrowing and making loans and, Ex. M-13 were the several instances in which those powers, along with other powers, like powers of signing cheques and passing the inter-bank advices were exercised. He drew attention to Ex. M-2. It is a resolution of the committee of the Board of Directors, dated 1st February 1960. By this resolution Sri Bhatt, when he was accountant at the Karad branch, was given the power to operate upon the Syndicate Banking account with Canara Bank, Ahamabad, "whether it was over drawn or not". The learned advocate emphasised that, Sri Bhatt has admitted in his deposition that he exercised this power. For one more instance of Sri Bhatt's exercising the power to make loans, the learned advocate relied on Ex. M-13/5. There are six transactions specified in this exhibit and in five of them Sri Bhatt gave the order 'pay' and signed underneath them. These five transactions were cases of loans against deposits and jewels and Sri Bhatt sanctioned them. Thus, according to the learned advocate, it is obvious that he exercised the power of lending, which, under section 292 of the Companies Act, could be delegated to the Manager, or, a principal officer only, and hence, obviously, Sri Bhatt was an officer. Similarly, as yet another instance, he has relied on Ex. W-65, 1(e). There, he was given the power to sanction loans to a pigmy depositor on his pigmy deposits in the exercise of the discretion to sanction loans upto 85 per cent of the deposit. A fourth instance, relied on by Sri Seshu is provided by Ex. M-13/2, wherein, large sums of money on inter-bank advices were sanctioned by Sri Bhatt. The learned advocate pointed out that Sri Bhatt in his deposition has admitted that he exercised these powers also. He has, therefore, concluded that the above instances clinch the matter and prove that Sri Bhatt was an officer.

(2) In addition, the learned advocate contended that the following two instances will show that Bhatt himself knew that he was an officer, and, therefore, the fact that he was an officer has not only been proved but is also admitted by him. The first instance is that though, for a short while, Sri Bhatt did the pigmy collections, yet, it was without the written sanction of the Syndicate. When he applied formally for such a permission "it was refused by the General Manager who stated that, the Syndicate's policy was that officers should not do the pigmy collection, as it will come in the way of proper exercise of their supervisory duties. The second instance is that Sri Bhatt was once punished without enquiry and an increment was withheld. Had he been a workman, he would have raised an industrial dispute over the stoppage of the increment without a domestic enquiry. Thus, according to the learned advocate, Bhatt's silence in these two cases is clearly an admission that he was an officer.

3. I have considered all the above eloquent and emphatic contentions of the learned advocate carefully. I am afraid I do not agree. It should be remembered that what the Sastry Award has laid down is that, accountants in general are workmen and, if in any particular case, having regard to the duties assigned and exercised, an accountant is an officer, that fact has got to be proved. Similarly, no doubt section 292(1)(c) and (c) of the Companies Act provide that the power to make loan and borrow money may be delegated by the Board of Directors to the Manager, or, a principal officer and, the several exhibits filed would show that in the instant case the Working Committee of the Board of Directors of the Syndicate delegated powers including the power to make loan and borrow money to Sri Bhatt, still, sub-sections 2 of section 292 also lay down as follows:

"Every resolution delegating the power referred to in clause (c) of sub-section 1 shall specify the total amount upto which monies may be borrowed by the delegate."

Similarly, sub-section 4 prescribes to the following effect:

"Every resolution delegating the power referred to in clause (e) of sub-section 1, shall specify the total amount upto which loans may be made by the delegate, the purpose for which the loans may be made and the maximum amount of loans which may be made for each purpose in individual cases."

It should be noted that in all the four resolutions, Exs. M-1 to M-4, of the Working Committee of the Board of Directors, the above said provisions of sub-sections 2 and 4 of section 292 of the Companies Act were not carried out. It is

obvious that, conferment of power by Exs. M-1 to M-4 to make loans, or, borrow money without specifying the limits to those powers as laid down in the sub-sections cannot be deemed to be a valid conferment. The learned advocate Sri B. K. Seshu has argued that Sri Bhatt exercised these powers. He has omitted to say that Sri Bhatt also deposed that he exercised them only occasionally and only in the case when the manager was absent on leave, or, some other work. He has deposed unequivocally, that, such occasions were few and far between and he never exercised the powers, whether at the Karad branch, or, at the Shapur branch, when the managers of those branches were present. Regarding Ex. M-2, viz., the power of operating upon Syndicate's accounts in connection with the Canara Bank, Ahmabad, Sri Bhatt has deposed at length and, it comes to this that, really it did not amount to any power of making loans. It was like making a demand draft. The customer used to deposit the amount for which he wanted a cheque, along with the commission of the Bank and, on receipt of the amount together with the commission, the cheque prepared by other clerks was used to be signed by him principally and that also when the manager was absent. The words "whether the Syndicate's accounts were over-drawn or not" have also been explained by Sri Bhatt that, he was not concerned with the fact that the amount was over drawn or not; that that was the concern of the Syndicate Bank only; his concern was only to make a cheque instead of a demand draft on receipt of money and the commission. Obviously, this is not lending money. The instances of Ex. M-13/2 relied on by the learned advocate, Sri Seshu, regarding inter-bank advices have also been explained at length by Sri Bhatt at page 16 of his deposition that as with the power of operating upon the Canara Bank, Ahmabad, in these instances also, really, no lending was involved. Direction to pay was only after receipt of the money from the customer.

3(1): In fact on power to make loan Sri Bhatt has deposed emphatically as follows:

"The accountant has no power to make loans. I too never had that power. In all my service in the syndicate Bank I never exercised the power of sanctioning loans, except when the manager was absent temporarily and when he had delegated me the powers and, that too only on loans against deposits or loans against gold, about which there were clear standing instructions."

It should be noted that Sri Bhatt was not effectively cross-examined on this emphatic denial that he never had and never exercised the power to make loans. The only cross-examination was on his granting loans on pigmy deposits, or, on loans against gold and jewellery. His reply was that he granted these loans in accordance with standing instructions and only when he acted for the manager; otherwise the manager himself granted the loans. It is clear that Sri Bhatt was not shaken in cross-examination on this point, for, as will be seen later on, in ascertaining the true status of an employee, regard must be given not to temporary assignments or casual functions, but, to his substantive position and normal functions.

3(2): It will be seen that the powers and the instances of their exercise relied on expressly by the learned advocate were the powers conferred by Ex. M2, viz., operating on the Canara Bank, Ahmabad, lending money on deposits instanced by Ex. M13/5 and Ex. W-65, and the passing of inter-branch advices as shown by Ex. M-13/2. With all this I have dealt with in the above paragraphs 3 and 3(1). However, as Exs. M-1, M-3 and M-4 have also been filed to show that powers of officers were conferred, I will consider them also. It should be noted that Ex. M-1 and M-4 are almost identical. By them same powers were conferred, but, Ex. M-1 conferred them on 31st August 1963 when Sri Bhatt was an accountant at Karad, and Ex. M-4 dated 29th January 1963 gave him those powers when he worked at Shahpur Belgam branch. By Ex. M-4 some important powers are conferred. One is the power to purchase, sell, discount or accept and deal in cheques, drafts, hundies, bills of exchange and other negotiable instruments in the name and on behalf of the Syndicate. These powers of purchasing and selling are obviously important powers as they involve an element of discretion and they were conferred on Sri Bhatt singly and independently of the Manager. I, therefore, while recording evidence asked him whether he exercised these powers independently of the Manager as they were conferred upon him independently of him and the answer was that he never did. In answer to other questions in examination-in-chief he deposed that he never used these powers when the manager was present and when he was absent he used them when the powers were delegated to him by the manager. I understand these two statements of Sri Bhatt like this. The powers of Ex. M-4 were conferred upon him on 29th January 1963. He remained in service till 13th March 1963. He never exercised these

powers whether singly or along with the manager during service. Before 29th January 1963, when the powers were not conferred upon him, he never exercised them in the presence of manager and, exercise them occasionally in his absence under powers delegated to him by the manager. Regarding the element of discretion also Sri Bhatt has deposed that the Head Office had placed limits to it. And, about the manager in which it was exercised, he has deposed that the customers for purchasing, selling and discounting used to come to the Bank, the manager used to sanction the transactions if within the prescribed limits and he used to check these instruments, sign them and they were despatched. This takes me to the signing powers, but, I will defer their consideration, as now I have to finish the consideration of some other powers conferred by Ex. M-4.

3(3): The other powers conferred by Ex. M-4 are (1) the power to demand, collect, recover and give effectual bona fide discharge in the name, or, on behalf of the Syndicate all debts, advances and claims due to Syndicate. And (2) further to take and use all lawful proceedings for realizing debts and defend at law all actions. Lastly, (3) power was given to operate upon the banking account of the Syndicate with the Banks noted against his name. It may be noted that in Ex. M4, as regards serial 3, no bank was noted against Sri Bhatt's name, though in Ex. M-1, the Maharashtra Bank of Poona was noted against his name. Serial 2 is the power of Attorney. Regarding all these powers, as already stated, Sri Bhatt has deposed that he never exercised them or exercised them occasionally when the manager was absent. I did not find any cross-examination on it either.

3(4): I pass on to Ex. M-3 dated 2nd February, 1960. It confers powers in respect of life insurance policies assigned to the Syndicate. Sri Bhatt has deposed that he did not ever exercise these powers and he was not cross-examined on this statement.

3(5): Now, I will consider the signing power. This was one of the powers conferred by Ex. M-4. About this, Sri Bhatt has deposed that he joined the Shahpur, Belgam Branch on 10th January 1963, remained there and in service till 13th March 1963 and from the date of Ex. M-4, viz., 29th January 1963 till 13th March 1963, he acted for the manager only once but did not even then exercise the signing power. This is the gist of what he deposed to in cross-examination. There is no evidence to rebut this. In the Desai Award paragraph 5:282, page 144, in serial 6 of the categories of workmen, passing officers are considered as workmen and are given special allowance only. Otherwise also, in a bank a mere power to sign or endorse a document would not mean any discretionary, or, controlling authority; for such documents go round a number of hands to see and check whether they are in order and also to see that in case of a casual absence of somebody, the work does not come to a standstill.

3(6): I have considered also the contention of the learned advocate for the employer that, Sri Bhatt's silence over refusal of his request for pigmy collection and, his silence also in accepting the withholding of an increment without any enquiry were admissions of his being an officer. Even though he cross-examined Sri Bhatt at great length, still, he did not ask him so. In my opinion, the silence in both the cases does not indicate admission of being an officer; they are open to several other obvious interpretations.

3(7): In my opinion, the question whether Sri Bhatt is a workman or officer is to be decided under the Industrial Disputes Act XIV/1947 only. Section 2(s) of the Act has been amended and after amendment by Act XXXVI/1956, even a supervisor is a workman. If his salary is less than Rs. 500/-, but, even so, a supervisor with a salary of less than Rs. 500/- may be an officer, if he performs function mainly of managerial nature. This phrase has been interpreted by several Tribunals, High Courts and the Supreme Court. I may refer only to *McLeod and Co. v. Sixth Industrial Tribunal*, A.I.R. 1968, Calcutta 273, where reference to several cases are given. The gist of the findings is that the tests of managerial, or, administrative functions are superior authority to take initiative and assign work, or to dismiss, discharge or take disciplinary action. In other words, functions, managerial or of administrative nature, are functions which involve power of initiative, control and direction. The cases provide further that whatever the designation of a person may be, one has to look to the nature of the functions performed by him and it is not the temporary arrangement, or, the temporary performance of managerial, or, administrative functions that makes a man officer; it is the substantive position and substantive duties that are decisive. For this proposition the following cases may be pursued, *LLYod Bank Ltd. v. Panna Lal Gupta*, 1961 (I) LLJ 18 (S.C.); *May and Baker India Ltd. v. Their Workmen*, 1961 (II) LLJ 94 (S.C.); *The Mysore Vegetable Oil Products v.*

Labour Court and another, 1961 (II) LLJ 508; and Scientific Co. Ltd. v. Seshagiri Rao, 1959 (II) LLJ, 717. In the light of these decisions, it is clear to me that Sri Bhatt's main duties were those of an accountant and were supervisory in nature. In Ex. M-12 as also in Ex. W-74 his duties have been specified. They are only power of checking of all calculations and book of accounts, returns; checking and balancing of all accounts by clerks with the general ledger and, timely preparation of daily tappal and periodical returns and their despatch. Obviously, there is no function which involves direction or control. The very meaning of the word 'manage' in Oxford Dictionary is 'the action or manner of managing; conduct of affairs, administration, direction or control'. As the entire record shows that Sri Bhatt never exercised these functions and never allotted work or directed disciplinary action, he cannot be deemed to be an officer. I hold accordingly, and hold further that the duties he performed were mainly clerical and at best supervisory and, therefore, he was a workman.

4. The next question is whether Sri Bhatt was a workman concerned in a pending dispute. He has alleged that industrial dispute 4/64 was pending. He was dismissed by the order of the appellate authority on 20th March 1961. The reference in the industrial dispute No. 4/64 was dated 8th January 1964. Evidently, therefore, he was dismissed during the pendency of the industrial dispute 4/64, in which the award was passed on 26th August 1964. However, the learned advocate for the employer has contended that the enquiry officer submitted his report early in November 1963 and the Managing Director passed the dismissal order a few days after that and, therefore, in November 1963 when he was dismissed no dispute was pending. I do not agree; as, the employee is given a right of appeal in the Bank Awards for which the period of 45 days is prescribed. In fact Sri Bhatt appealed within the period allowed and it was after the decision of the appellate authority on 20th March 1961 that his dismissal became effective. I, therefore, hold that the complaint was filed during the pendency of the industrial dispute 4/64.

4(1): But the question is whether Sri Bhatt was concerned in the industrial dispute 4/64. In that dispute the question was whether the Syndicate Bank was justified in stopping the pigmy collections through its employees. The demand for allowing the employees of the bank to continue to do the pigmy collections was a collective dispute raised by the Syndicate Bank Employees Union. The law is that if an industrial dispute is a collective one, every workman is concerned in it. This has been held by the Supreme Court in New India Motors (P) Ltd. v. K. T. Morris, 1960 (I) LLJ at 555, col. 2 and the L.A.T. in the case of Eastern Plywood Co. v. Their workmen, 1958 (I) LLJ 628. In Mcleod Co. Ltd. v. Their Workmen, AIR 1958, Calcutta, 273, it was held in paragraph 45 that a workman was concerned in a dispute if the decision in it would affect his conditions of service, or, his rights and obligations. Here, the pigmy collections was a source of profit to all workmen who volunteered for it. The Bank for long years encouraged its employees to volunteer for the said collection and, majority of pigmy collectors were the employees of the bank and, therefore, as the dispute was a collective one and it affected every workman, Sri Bhatt was concerned in it. Sri Bhatt has deposed that he had done the work of pigmy collection when he was at Karad branch. It may be noted that most of the powers specified in Exs. M-1 and M-4 were conferred upon him when he was at Karad. For all the above reasons I hold that he was a concerned workman.

4(2): After holding that Sri Bhatt was a workman and was concerned in the pending dispute 4/1964, I have still to find whether section 33 of the Act was contravened. It is the allegation of Sri Bhatt that, he was dismissed during the pendency of the industrial dispute 4/1964 without seeking approval of the Industrial Tribunal, before whom the dispute was pending and without paying him, or, offering to pay him one month's salary. These facts are not denied by the employer. As the Bank considered him to be an officer, it did not comply with the provisions of section 33 of the Act. Thus, it is clear that section 33 of the Act was contravened.

5. Even so, the employer has a right to show that his order of dismissal is justified and that takes me to fact. Sri Bhatt was transferred from Shahapur branch to Bhatkal branch by order of the Syndicate Bank dated 8th March 1963 and he was relieved the same day. The same day he took an advance of Rs. 200/- for travelling to Bhatkal. But, according to him, he fell ill and before the joining date 18th March 1963 he wrote to the bank applying for sick leave of 90 days. He enclosed the medical certificate of a reputable medical practitioner to the effect that he was suffering from vomiting and acute poly-neuritis. The bank did not sanction him leave. It directed him to proceed to Bhatkal by letters dated

23rd March 1963 and 8th May 1963 and a telegram dated 16th April 1963. Sri Bhatt did not go to Bhatkal and availed of the leave without sanction till 6th June 1963, when he wrote that now he is in a fit condition and whether he should go to Bhatkal, or, await further orders for any other posting. The Bank informed him that, as he had wilfully disobeyed reasonable orders, an enquiry will be instituted against him and suspended him. Accordingly, the enquiry was held. He was dismissed in November 1963 and his appeal was also turned down in March 1964.

5(1) The short question is whether Sri Bhatt was correct in not joining at Bhatkal on his transfer to that place and, also whether the Syndicate Bank was correct in refusing him the leave prayed for on the ground of illness. According to Sri Bhatt's letter and his deposition he was ill and, therefore, in no condition to travel for joining duty. He has deposed that in 11 years of service he was transferred 14 times and the transfer to Bhatkal was the 15th. He had obeyed all the transfer orders without demur and, as regards transfer to Bhatkal also, he had intended to go and had drawn allowance of Rs. 200/- towards T.A., but, he fell ill and could not go. Admittedly, the bank did not question the medical certificate. Hence, under paragraph 9.1 of the Desai Award leave on the ground of illness can be applied for without complying with the condition of applying one month in advance necessary in other leaves and, though the employer has a discretion to disallow the leave, yet, it is also enjoined in the sub-paragraph (4) of the said paragraph 9.1 that he should state the reasons for the refusal. The entire record will show that the employer did not state any reasons for the refusal. In the circumstances, the conclusion is clear that, as Sri Bhatt was suffering from vomiting and poly-neuritis, he had a right to the leave he had prayed for though the employer had the right to refuse even sick leave it was subject to his stating the reasons for the same. This the employer-bank did not do and, therefore, it was not right in refusing the leave. It should be noted that for two years Sri Bhatt had taken no leave. It is held on page 146, paragraph 297(c) of the Appellate Bank Award that "during the full period of his service, an employee shall be granted sick leave on medical certificate at the rate of one month for each year of service for a period not exceeding 12 months." It is nobody's case that Sri Bhatt, in his eleven years of service availed of sick leave except once. Hence, this decision also shows that this was one more reason for the granting of leave applied for by Shri Bhatt. It should also be noted that the enquiry officer himself has held that, as the doctor had advised rest Sri Bhatt had a semblance of right for not joining duty for the first forty two days, but, after that, he should have joined and in not doing so he wilfully disobeyed the order of transfer.

5(2): I carefully considered this finding. It is the contention of Sri Bhatt that he did not receive the letter dated 8th May 1963 (Ex. M-7) whereby he was informed that his sick leave was not sanctioned and that he should join duty immediately. He has contended also that, this letter of 8th May 1963 was an unsigned letter and, therefore, in all probability, it was not despatched. Without entering into these details, I feel that, as Sri Bhatt was an employee of 11 years standing and his service was more than 5 years old he had a right to sick leave. It does not appear to me to be fair to consider in a thread-bare-manner a petition for sick leave, when the medical certificate was not doubted. Thus, there is hardly any doubt that Sri Bhatt was sick. It is equally established that he had not taken any leave for 2 years and there is also no doubt that he was a qualified man being B.A., B.Com., and C.A.I.I.B. He had obeyed 14 transfer orders. On all these facts, I do not feel it fair to consider that he disobeyed the transfer order wilfully. The record does not justify it. I hold accordingly.

6. In view of my finding above, I feel that Sri Bhatt should be reinstated with continuity of service and back wages. I direct the same, Award accordingly.

Report accordingly to Government, given under my hand and the seal of the Court, this the 10th Day of November, 1964.

M. S. ALI KHAN,

Industrial Tribunal.

[No. 55(88)/64-LRIV.]

ORDERS

New Delhi, the 13th November 1964

S.O. 4053.—Whereas, the Central Government is of opinion that an industrial dispute exists between the employers in relation to Shri Paul Abrao of M/s. Paul Abrao and Sons, Willingdon Island, Cochin, and the Cochin Lighterage Corporation, Cochin, on the one part, and their workmen specified in Schedule II hereto annexed; on the other, in respect of the matters specified in Schedule I hereto annexed;

And, whereas, the Central Government considers it desirable to refer the said dispute for adjudication;

Now, therefore, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby refers the said dispute for adjudication to the Industrial Tribunal, Bombay, constituted under section 7A of the said Act.

SCHEDULE I

- Whether the action of the employers, (1) Shri Paul Abrao of M/s. Paul Abrao and Sons, Cochin, and (2) the Cochin Lighterage Corporation, Cochin-1, in not providing work for the workmen specified in Schedule II who were engaged in floating craft prior to and as on 1st June 1962 or thereafter, is justified?
- If not, to what relief the workmen entitled and from which of the two employers?

[No. 28/60/64-LRIV.]

New Delhi, the 23rd November 1964

S.O. 4054.—Whereas, the Central Government is of opinion that an industrial dispute exists between the employers in relation to the Allahabad Bank Limited, Calcutta and their workmen in respect of the matters specified in the Schedule hereto annexed;

And, whereas the Central Government considers it desirable to refer the said dispute for adjudication;

Now, therefore, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby refers the said dispute for adjudication to the Industrial Tribunal, Calcutta, constituted under section 7A of the said Act.

SCHEDULE

Whether the contention, that the transfer of Shri Baijnath Singh from the Head Office of the Allahabad Bank Limited to the City Branch with effect from the 31st March, 1964 has been made with a view to deprive him of the promotion to the post of Daftry, is well founded? If so, to what relief is the workman entitled?

New Delhi, the 16th November 1964

S.O. 4055.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Calcutta, in the industrial dispute between the employers in relation to the Real Kajora Colliery, P.O. Kajoramgram, District Burdwan and their workmen which was received by the Central Government on the 10th November, 1964.

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, CALCUTTA

REFERENCE No. 56 OF 1964

PARTIES:

Employers in relation to the Real Kajora Colliery,

AND

Their workmen.

PRESENT:

Shri L. P. Dave—*Presiding Officer.*

APPEARANCES:

On behalf of Employers: Shri I. P. Sinha.

On behalf of Workmen: Shri Bankey Singh, Organising Secretary, Colliery Mazdoor Union.

STATE: West Bengal.

INDUSTRY: Coal Mines.

AWARD

The Government of India, Ministry of Labour and Employment, by their Order No. 6/31/64-LRII, dated 31st August 1964, have referred the industrial dispute existing between the employers in relation to the Real Kajora Colliery and their workmen in respect of the following questions for adjudication to this Tribunal. The questions referred to for adjudication are:

1. Whether the workmen Sarvashri Ram Raj Singh, Biswanath Biswas, Baijnath Dubey, Abdul Mazid, and Bharat Singh, are entitled to be reinstated, and if so from what date?
2. If all or any of the contentions of the workmen is correct, to what relief are they or any of them entitled?

2. In response to notices issued by the Tribunal, the workmen represented by the Colliery Mazdoor Union filed a written statement contending that the five workmen mentioned in the order of reference had been serving the colliery for many years as permanent workmen; that the management without any justifiable reason retrenched them by a letter of 24th February 1964; that the allegation that they were surplus is not true. The Union therefore urged that the five workmen should be reinstated with all back wages.

3. The employers did not file any written statement because by the time the written statement was due, there was a compromise between the parties. The parties submitted an application by post stating that they had entered into a compromise and containing terms thereof. It was stated that two out of the five workmen concerned in this dispute named Ram Raj Singh and Biswanath Biswas had accepted payment from the management in full and final settlement of their claim and that this had been done before the order of reference was passed by the Government in this case; there was therefore no industrial dispute relating to these two workmen existing on the date of reference. It was further stated that the remaining three workmen had been re-instated in service by the management from 1st October 1964 on the same wages and same conditions of service and also with continuity of service and that the period intervening between the date of termination and the date of reinstatement was to be deemed to be leave without pay. The parties, therefore, stated that there was now no subsisting industrial dispute between them, and hence the management had not filed a written statement. The parties prayed that the Tribunal should be pleased to hold that the dispute has been resolved in terms aforesaid.

4. The matter was then fixed for hearing to-day, when both parties appeared before the Tribunal and admitted the terms of compromise arrived at between them. In view of the fact that the Union has admitted that two of the workmen concerned in this dispute had accepted a sum of money from the management in full and final settlement of their dues before the order of reference was passed by Government, I must hold that there was no industrial dispute existing on the date of reference so far as these two workmen are concerned. Regarding the other three, however, an industrial dispute was in existence and it has now been settled among the parties by the management having already re-employed these persons on the same jobs as before from 1st October 1964 with continuity of service. In my opinion, this compromise is fair and reasonable and I accept it.

5. I therefore pass an award as under:—

- (i) There was no subsisting industrial dispute so far as workmen Ram Raj Singh and Biswanath Biswas are concerned on the date of reference.
- (ii) The other three workmen namely, Baijnath Dubey, Abdul Mazid and Bharat Singh are ordered to be reinstated in service from 1st October 1964 on the same wages and terms of service as before with continuity of service. The period of unemployment from the date of termination of their services to the date of reinstatement should be treated as period on leave without pay.
- (iii) The parties will bear their own costs.

Presiding Officer.

Employers in relation to the New Jamehari Khas Colliery,

AND

Their workmen.

PRESENT:

Shri L. P. Dave—*Presiding Officer.*

APPEARANCES:

On behalf of employers: Shri K. N. Dutta, Additional Secretary.

Shri D. C. Deb, Secretary.

On behalf of workmen: Shri Kalyan Roy, Vice-President, Colliery Mazdoor Sabha.

STATE: West Bengal.

INDUSTRY: Coal Mines.

AWARD

The Government of India, Ministry of Labour and Employment, by their Order No. 6/41/64-LR.II, dated 20th June 1964, have referred the industrial dispute existing between the employers in relation to the New Jamehari Khas Colliery and their workmen, in respect of the question whether the action of the management in terminating the services of Shri Musafir Rajhbar, Mining Sirdar, from 13th October 1963 was justified and if not, to what relief the workman was entitled, for adjudication to this Tribunal.

2. In response to notices issued by the Tribunal, the parties filed their written statements. The Union's contention was that the services of the workman named Musafir Rajhbar were terminated vindictively and in violation of the provisions of the Standing Orders and principles of natural justice. On the other hand, the management urge that this workman was originally employed as C.P. Miner but was later on appointed as a Mining Sirdar for a temporary work and when that work was over, he was asked to work as C.P. Miner; but he did not agree to it. He was therefore given a notice and his services were terminated.

3. When the matter came up for hearing before me to-day, the parties stated that they had entered into a compromise and produced a memorandum of settlement, copy appended herewith. Under the terms of the settlement, the workmen did not press for the reinstatement of the workman involved in this dispute but the management have agreed to pay him a sum of Rs. 600/- in full and final settlement of his dues and have also agreed to pay Rs. 100/- as costs to the Union. In my opinion, the compromise is fair and reasonable. I therefore allow it.

In the result, I pass an award in terms of the settlement.

AWARD

The Government of India, Ministry of Labour and Employment, by their Order No. 6/56/64-LRII, dated 27th July 1964, have referred the industrial dispute existing between the employers in relation to the Dhemo Main Colliery and their workman in respect of question whether the management was justified in terminating the services of Shri Bhuneswar Das, Pick Miner, and if not, to what relief he is entitled for adjudication to this Tribunal.

2. In response to notices issued by the Tribunal, parties filed their written statements. The workmen represented by the Colliery Mazdoor Congress contended that Shri Bhuneswar Das was working as a Pick Miner for about 25 years; that he got a heart disease and had to be admitted to the hospital; that he applied for long leave for rest which was granted to him from 11th February 1963 to 9th April 1963; that though he was progressing well, his condition suddenly became worse and he had to go to Patna for treatment; that he informed the management about this and asked for leave; that the management rejected his application and without issuing any charge-sheet terminated his services which action of the management was illegal and in violation of principles of natural justice.

3. The management admitted that the workman had fallen ill and was granted leave; but they urged that he did not ask for extension of leave and the management had, therefore, ultimately to terminate his services.

4. When the matter came up for hearing before me to-day, the parties after some discussion entered into a compromise and produced a memorandum of settlement, copy appended herewith, and requested for an award in terms thereof. As I said above, the dispute relates to a workman named Bhuneswar Das who was found to be suffering from heart disease. It would not be even in his interest that he should join work as a pick miner. Under the terms of the compromise, the Union has accepted the termination of his services as proper on medical grounds. The management have agreed to pay him Rs. 1,125/- in full and final settlement of his dues. I am told that this amount is something more than what the workman would have got as retrenchment compensation if he was retrenched. In my opinion, the compromise is fair and reasonable and I accept it.

I therefore pass an award in terms of the compromise.

PARTIES:

Employers in relation to Dhemo Main Colliery,

AND

Their workmen.

The employers and the workmen in the above Reference jointly beg to state that without going into the merits of their respective cases, they have agreed to settle their dispute which is the subject matter of the above Reference on the following terms:—

1. that the workmen accept the termination of the service of Shri Bhuneswar Das on and from 6th December 1963 as valid and proper on medical grounds.
2. that an *ex-gratia* amount of Rs. 1,125/- will be paid by the employers to the workman concerned (Shri Bhuneswar Das) within seven days hereafter.
3. that the workman Shri Bhuneswar Das will not be eligible for any other sum save and except his unpaid wages and other allied dues, if any.
4. that the parties will bear their respective costs of their Reference.

The parties jointly pray that they may be allowed to settle their dispute on the above terms and an award may be passed accordingly treating this petition as a part of the Award.

APPEARANCES:

INDUSTRY: Coal Mines.

AWARD

The Government of India, Ministry of Labour and Employment, by their order No. 6/42/64-LR.II, dated 5th June 1964, have referred the industrial dispute existing between the employers in relation to the New Jamehari Khas Colliery and their workmen on the question whether the action of the management in refusing employment to the 29 picking mazdoors mentioned in the schedule to the order of Reference from 16th October 1963 was justified and if not, to what relief the said workmen were entitled, for adjudication to this Tribunal.

2. The Union contended that the management suddenly stopped the work of the 29 workers without giving them any notice and that it was a case of vindictiveness and amounted to unfair labour practice. On the other hand, the management contended that the work in the mine was stopped under the orders of the Mines Department under Section 22 of the Mines Act as a result of which confusion followed; that out of the 29 workers involved in this Reference, thirteen had received payment in full and final settlement of their dues. Regarding the other 16 workers, the management contended that they had left the colliery and their whereabouts were not known.

3. The parties have to-day filed a settlement entered into between them (copy appended herewith). Under the terms of the settlement, the management have agreed to reinstate fifteen of the 29 workers involved in this case and they are to be reinstated either as Picking Mazdoors or Wagon loaders from 1st November 1964 and their absence period is to be treated as leave without pay. So far as the other 14 workers are concerned, they are to be absorbed as and when vacancy arises but there is a proviso that if any person junior to these 14 people is found working, the new person would be discharged and recruitment would be made from among these 14 people. Parties also told me that it has been agreed that they are to bear their respective costs.

4. The present case refers to 29 workers. It appears that the colliery was closed by an order of the Mines Department. It has now restarted working and under the terms of the compromise, fifteen of these workers are to be provided with jobs almost immediately. The other fourteen will be provide with jobs as and when vacancies occur. In my opinion, the compromise is fair and reasonable, and I accept it.

An award in terms of the settlement is therefore passed.

New Delhi, the 17th November 1964

S.O. 4069.—In pursuance of section 7 of the Iron Ore Mines Labour Welfare Cess Act, 1961 (58 of 1961), the Central Government hereby publishes the following report of the activities financed from the Iron Ore Mines Labour Welfare Fund during the year ending the 31st March, 1964, together with a statement of accounts for that year and an estimate of receipts and expenditure of the said Fund for the year 1964-65.

PART I

General.—The Iron Ore Mines Labour Welfare Cess Fund is constituted under the Iron Ore Mines Labour Welfare Cess Act, 1961 (58 of 1961) which provides for the levy and collection of a cess on iron ore for the financing of activities to promote the welfare of labour employed in the iron ore mining industry.

The Act provides for the levy of a cess at a rate not exceeding 50 paise per metric tonne of iron ore produced and the present rate of levy is 25 paise per

metric tonne. The Act is applicable to the whole of India except Jammu and Kashmir and Goa, Daman and Diu. The Act has been enforced with effect from the 1st October, 1963.

Under section 8 of the Act, the Iron Ore Mines Labour Welfare Cess Rules, 1963 have been framed. Separate Advisory Committees are envisaged as indicated below. One for Andhra Pradesh and Mysore, one for Madhya Pradesh and Maharashtra, one for Bihar and one for Orissa. The Advisory Committees except that for Orissa have been constituted and welfare activities will be initiated in due course.

The welfare activities for which the proceeds of cess are to be utilised under the Act relate to improvement of public health and sanitation, the prevention of disease and the provision and improvement of medical facilities, water supply and facilities for washing the provision and improvement of educational facilities, the improvement of standards of living including housing and nutrition, the amelioration of social conditions and the provision of recreational facilities and the provision of transport to and from work. The Act was enforced only for a period of 6 months during the year under report. With the cess so far collected, a programme for welfare amenities is being worked out.

For the assessment and collection of cess levied under the Act, Iron Ore Mines Cess Commissioners have been appointed in each of the iron ore producing States of Andhra Pradesh, Mysore, Madhya Pradesh, Maharashtra, Bihar, Orissa, Punjab and Rajasthan.

[No. 31(33)/63-ONG-Vol.14.]

S.O. 4084.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between Barauni Refinery in Bihar State to Haldia Port in Calcutta in West Bengal State, a pipeline should be laid by the Indian Oil Corporation Ltd., and that for the purpose of laying such pipeline, it is necessary to acquire the right of user in land described in the Schedule annexed hereto.

2. Now therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the Competent Authority, Special Land Acquisition Officer, C/o Indian Oil Corporation Limited, P.O. HATHIDAH, District Patna. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

[No. 31/47/63-ONG/1 PAT.]

S.O. 4090.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between the Gujarat Refinery, Baroda in Gujarat State to Ahmedabad in Gujarat State, pipelines should be laid by the Oil and Natural Gas Commission and that for the purpose of laying such pipelines, it is necessary to acquire the right of user in the land described in the Schedule annexed hereto;

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the competent authority at Elampero, 4th floor Sayaji Ganj Opp. College Lokmanya Tilak Road, Baroda in the office of the Gujarat Pipeline Project, Oil and Natural Gas Commission. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

[No. 31(41)/64-ONG (ii).]

S.O. 4092.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between the Gujarat Refinery, Baroda in Gujarat State to Ahmedabad in Gujarat State, pipelines should be laid by the Oil and Natural Gas Commission and that for the purpose of laying such pipelines, it is necessary to acquire the right of user in the land described in the Schedule annexed hereto;

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the competent authority at Elampeco, 4th Floor Sayaji Ganj Opp. College Lokmanya Tilak Road, Baroda in the office of the Gujarat Pipeline Project, Oil and Natural Gas Commission. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.

[No. 31(41)/64-ONG(III).]

S.O. 4093.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of petroleum between the Gujarat Refinery, Baroda in Gujarat State to Ahmedabad in Gujarat State, pipelines should be laid by the Oil and Natural Gas Commission and that for the purpose of laying such pipelines, it is necessary to acquire the right of user in the land described in the Schedule annexed hereto;

2. Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein,

3. Any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipelines under the land to the competent authority at Elampeco, 4th Floor Sayaji Ganj Opp. College Lokmanya Tilak Road, Baroda in the office of the Gujarat Pipeline Project, Oil and Natural Gas Commission. Every person making such an objection shall also state specifically whether he wishes to be heard in person or by a legal practitioner.
